OPPORTUNITY OF- FERED SOLDIERS IN MOTOR TRADES

Acute Shortage in the Motor Industry Throughout the Nation Offers Good Jobs to Soldiers Who Learned Trade in Army.

There is an acute scarcity of skilled labor in the motor trade throughout the United States and particularly in Chicago. It is reported today to Colonel Arthur Woods, Assistant to the Secretary of War, by the editor of a leading motor magazine. There are therefore excellent opportunities for skilled labor along any line connected with the motor industry, for finding satisfactory employment.

This offers an attractive field to discharged service men, a great many of whom received a thorough training in the handling of motors during their service in the Army. The motor industry, it is further reported, has utilized the services of discharged soldiers and sailors to the fullest extent. Practically all of the men returned from the service who before enlisting were in the motor industry or trade, have been reemployed. In addition, a great many men who have been trained along lines while in the service, have also found employment.

On account of the labor unrest in practically all skilled labor lines, however, and on account of the falling off of immigration and apprenticeship during the period of the war, there are still a number of excellent opportunities open to ex-service men who before the war were members of the motor industry, or who during the war acquired skill in the motor trade.

SMALL BOY RUNS INTO AUTO ON BICYCLE

Lynwood Austin, bright little son of Mr. and Mrs. Percy Austin, of East Second street, met with a rather painful accident about 2 o'clock this afternoon while riding his bicycle on East Second street in the Sixth ward. The little fellow was riding along, more than likely looking at his peddles, when he ran directly into the rear of an automobile parked along the curb. He was thrown off the bicycle and struck his head cutting a rather deep and ugly gash on his forehead. At 3:30 o'clock he was resting easily and it was not thought that the wound would prove very serious.

TODD-HERRINGTON

Mr. Loss Herrington, aged 37, and Mrs. Minnie Todd, aged 47, both of this county, were married at the County Clerk's office Wednesday evening by County Judge H. P. Purnell.

BIG DAY IS PLANNED AT THE BAPTIST PICNIC

All Baptists of Community Both Young and Old Expected to Gather at Beechwood Park This Afternoon and Evening For Big Outing.

The Baptists of Maysville and vicinity will have a big picnic at Beechwood Park today beginning at three o'clock this afternoon and lasting until late this evening. The outing is a general Baptist get together and all of that denomination are expected and urged to attend some time during the day.

The children and students of the Sunday School gathered at the church this afternoon and took the three o'clock for the park. At 6:30 this evening a big dinner will be served at the park and the men and women of the church who work during the day and were unable to go up with the children earlier in the afternoon, are expected to gather there for their dinner.

There will be games of all sorts and a Dempsey-Willard bout will be one of the big features of the early evening's program. Prof. W. T. Berry will impersonate Dempsey and Mr. W. Houston Hall, Willard. Some are wondering if the results of the big Fourth of July contest will not be reversed.

At 7:30 o'clock there will be prayer meeting held in the Casino and following this there will be various games to entertain the folks until late in the evening.

TRAXEL'S RECIPE FOR GEORGIA GINGER BREAD

Dissolve 3/4 oz. soda in one quart water, add one quart of molasses, sift in 3 1/2 pounds of flour to which one oz. of cream of tartar as well as ginger and other spices has been added. Bake in a medium oven.

This makes good ginger bread, all right, and, if your kitchen is too warm for comfort, these days, and you don't feel like baking, phone Traxel's for a couple cuts of it. They bake it on Wednesday's, Thursday's and Friday's. Only 10c a cut.

FATTY ON BROADWAY

Fatty makes a hit on Broadway. The girls think Fatty is "Some Boy". Go see Fatty Roscoe Arbuckle on Broadway at the Pastime tomorrow. Also the second episode of the big thriller "The Tiger's Trail." Pathe News will show the Allies arriving in Versailles to sign the peace treaty.

Mrs. C. A. Ellis, of Augusta, is spending a few days with her daughter, Mrs. F. B. Hay.

SCHOOL REPORT SHOWS SPLENDID MANAGEMENT

Annual Report of Superintendent of County Schools Just Filed Is Highly Complimented By County Officials—Good Balance Left in School Funds.

The annual report of the County Superintendent of Schools has just been filed by Superintendent George H. Turnipseed with County Judge H. P. Purnell for his investigation and approval and for forwarding to the State Superintendent of Public Instruction at Frankfort.

This report is said by those who have handled such reports heretofore to be the best school report that has been filed in Mason county in years. The report is in detail and shows that during the year there has come into the hands of the County Superintendent and the County Board of Education a total of \$66,677 from all sources and that the expenses of the county schools for the year have amounted to \$59,094.45 leaving a nice balance in the school fund to begin the new year with.

During the year the schools of the county have instructed 2,332 pupils of which 153 were in the three county high schools. There has been an average daily attendance at the various schools of 1456 students and these have been instructed by 59 teachers.

The most interesting feature of the entire report is that section devoted to the expenses of the County Superintendent. That County Superintendent Turnipseed is the most economical school head the county has ever had is shown by the fact that during the year Prof. Turnipseed's expenses have amounted to only \$6.57 above his salary. This feature is absolutely astounding and brought from County Judge H. P. Purnell and the other county officials the highest praise. Mason county has never had a school superintendent who has cost the county less money and who has accomplished more.

This record is one that will not likely be equaled by any school department of such large proportions not only in the state of Kentucky but as well in the whole of the United States. The year has been a very successful one despite the many handicaps the school authorities have faced. It is not likely that there has ever been such interruption of school work as there was during the past year occasioned by the influenza epidemic but the teachers expect to make up for lost time during the coming season by one of the hardest years' work they have ever done.

The Public Ledger voices the sentiments of every one in Mason county in extending hearty congratulations to Prof. Turnipseed upon this wonderful record of achievement and extraordinary management.

VANCEBURG WOMAN WEDS CHINAMAN

The Cincinnati Enquirer says: Sam Sing, 39 years old, Chinaman, who is in the laundry business at 623 Plum street, obtained a license yesterday in Probate Court to wed Anna Earls, 18 years old, 38 West Sixth street, who was born in Vanceburg, Ky. Squire Harry McGrew performed the marriage ceremony a few moments later in the County Treasurer's office. Sing said he had been married before and is a widower, while his bride states she divorced her first husband, named Kriner. She has been employed as a waitress.

\$15,000 DAMAGES ASKED OF C. & O. BY LEXINGTON MAN

Suit for \$15,000 damages was filed in the Federal court for this district Wednesday by Theodore Bastin, of Lexington, on behalf of his son, Theodore Bastin, Jr. The boy was badly injured when he picked up a dynamite cap which exploded, destroying the sight of his left eye, blowing off the thumb of his left hand and two fingers of the right hand. The dynamite cap which exploded and injured the boy was left by workmen of the company, it is said.

CAMPERS ARE OFF

Ruggles campmeeting was formerly opened Thursday and quite a number of local people who will camp at Ruggles for the season left today to take up their abode in their cottages. The Board of Directors are facing a very serious situation in not having near enough cottages and rooms for the people who desire to camp there this season.

YAZELL-HOLLAND

William Holland, aged 22, and Mrs. Ada Yazell, aged 23, both of this city, were granted marriage license Thursday morning by County Clerk James Owens. They were later married by Rev. J. E. Reed.

WORK WILL BEGIN ON SARDIS PIKE IMPROVEMENT AT ONCE

Contractor Who Will Improve the Sardis Pike Arrived Here Today With His Force of Men and His Machinery—Work to Be Completed in Short Time.

Contractor S. M. Billiter, of Covington, arrived in Maysville Wednesday evening and Thursday morning his road working machinery arrived over the C. & O. and was immediately unloaded and delivered to the Sardis pike where he has contracted for improving the pike into practically a new road. Along with Mr. Billiter and his machinery also came a force of experienced road men who began work immediately getting things in order for the work on the pike.

Mr. Billiter bears the reputation of being one of the most progressive road contractors in the state of Kentucky. He is probably better equipped for road work than any other contractor in the state and he is anxious to get the work on the Sardis pike completed so that he can get another contract and get it finished before the season closes. It is therefore expected that the work on the Mason county pike will go forward very rapidly and that the pike will be in first class condition before long.

The only other road work to be done on a large scale in Mason county this year will be the resurfacing of the model pikes of the county by the state force and this work is expected to begin in a very short time so that this job will also be completed this season.

SARDIS TO ORGANIZE COMMUNITY CLUB

There was a very enthusiastic meeting of the people of the Sardis neighborhood held Wednesday evening at Sardis at which time it was definitely decided to organize a Community Club there. This organization will be perfected at a meeting to be held in Sardis on next Wednesday evening and officers will be elected at that time.

ADMITTED TO ARMY HOSPITAL

Relatives here have been advised by the government that Mr. Owen Wells, who was wounded with shrapnel in Europe during the war, has been admitted to the General Hospital at Fort McPherson, Ga. Reports are to the effect that he is getting along nicely and is expected to come from the treatment there practically recovered from his wounds.

BIG SALE ANNOUNCED

In another part of this issue appears a large announcement by Merz Brothers of their big Remodeling Sale which begins on next Saturday. This popular firm is offering a large number of rare bargains in this announcement and it should be read carefully by all our readers.

BRIDGEPORT MAN IS FOUND INSANE

Mr. George H. Dickson, of Bridgeport, this county, was tried before County Judge H. P. Purnell and a jury in County Court this morning, found to be of unsound mind and ordered taken to the state hospital for the insane at Lexington for treatment.

NEIGHBOR BOY IS MEMBER OF CREW IN LONG FLIGHT

Bracken County Boy, Well Known Here, in Crew of Bombing Plane on Cruise Around Rim of Nation.

Washington, July 24.—A United States army bombing plane, carrying a crew of five, commanded by Lieut. Col. R. S. Hartz, left the ground here at 10 a. m. on the first leg of a flight of nearly 8,000 miles around the rim of the country. The first stop scheduled is Augusta, Me., 560 miles from Washington.

The flight is the longest ever attempted by the army air service, and will carry the machine through 31 States, over 95 cities and cover long stretches of the Atlantic, Pacific and Gulf coasts, as well as the Canadian border.

Col. Hartz was accompanied by Reserve Pilots Lieut. Ernest E. Harmon and Lotha A. Smith and Mechanics Sergt. John Harding, Jr., and Master Electrician Jeremiah Tobias. The big machine rose from Bolling field, circled the White House in low flight, and then headed away on its course.

Direct flight between the points designated for the terminus of each day's flight will not be attempted. The first stop today will be at Hazlehurst field, Long Island. Tomorrow the airman will proceed from Augusta to Cleveland, 680 miles.

The general line to be followed will carry the machine in order to Duluth, Minn.; Seattle, Wash.; San Diego, Cal.; San Antonio, Tex.; Miami, Fla., and back to Washington. The actual measured distance of the route is 7,805 miles.

The machine used is a two-engineer known as the U. S. Martin bomber.

Much local interest will be taken in this great flight as Reserve Pilot Lotha A. Smith, a member of the crew is a "home boy". He is a son of the late Lotha A. Smith, of Augusta, Bracken county. The young man was born and reared at Augusta and is well known here.

STOCK QUOTATIONS RECEIVED BY CHAMBER OF COMMERCE

Quotations Will Now Be Received Daily and Can Be Obtained by Calling the Chamber of Commerce By Telephone Whenever Quotations Are Desired.

Through an arrangement with the Cincinnati Chamber of Commerce, the Maysville Chamber of Commerce has now started receiving daily market quotations by telegraph. These quotations are for the top prices at the closing of the Cincinnati Stock Exchange shortly before the noon hour. The quotations are received by telegraph each day at noon and after the noon hour any person desiring quotations can obtain the same by telephoning to the Chamber of Commerce office.

These quotations will be published each afternoon in the Public Ledger through an arrangement made with the Maysville Chamber and the readers of this paper will thereby receive stock quotations direct from the stock exchange.

Quotations for today were as follows:
Hogs—\$23.50.
Cattle—\$16.00.
Lamb—\$17.50.
Veal Calves—\$17.50.

Rev. E. R. Overley, of Covington, passed through Maysville this afternoon en route to Ruggles Camp grounds where he will be for the next two weeks.

MASON'S NEW ROAD TRUCK WILL BE 3-TON PACKARD

Best Automobile Truck Made Is Allotted to Mason County According to Information Received This Morning by County Judge.

County Judge H. P. Purnell several days ago received a communication from State Commissioner of Public Roads Wiley in which he was informed that Mason county had been allotted another army truck making the third since the Federal government had apportioned army trucks among the counties for road work.

This morning Judge Purnell received a letter from Commissioner Wiley informing him that the third truck which had been allotted to Mason county was a large three-ton Packard truck and that in this lot there are a number of new trucks while there were also a number of used machines. These machines will be delivered to Louisville and the various counties will be expected to go to that city to receive them. When the trucks are received representatives of the various counties taking part in the distribution will be called upon to draw for new and old trucks. It is to be hoped that Mason county will be lucky enough to draw one of the new unused machines.

It is thought by the state department that all of the three machines which have been given to Mason county will be received in a short time and the county officials are hoping that they will soon be received as they are badly needed in the road work this summer.

HELENA PHYSICIAN IS SERIOUSLY ILL

Dr. W. H. Phillips, prominent Helena physician, is very seriously ill with typhoid fever and Wednesday night, it was thought for a time that he was dying but he was evidently passing the crisis and his many friends throughout the county will be very glad to know today he is much improved and is now thought to be on the road to recovery.

CHAUTAQUA IS BEING WIDELY ADVERTISED

The Maysville Chautauqua to be held at Beechwood Park August 18-24 is being very widely advertised throughout this section. An advertising crew has been out in the county tacking up posters advertising the big week and the booklet programs are being widely distributed throughout this district.

MRS. HUGH WARDER KILLED BY SPECIAL TRAIN ON L. & N.

Aged Woman Was Crossing Railroad Track at Helena Station When Special Running at Rapid Rate of Speed Struck Her—Death Almost Instant

Mrs. Hugh Warder, aged about 65 years, was struck and almost instantly killed by a special North bound train on the L. & N. railroad at Helena station about 4:30 o'clock Wednesday afternoon.

Mrs. Warder was crossing the track at Helena station to visit a friend. She had waited until the regular South bound train had passed the station and she was not expecting a fast train in the opposite direction. The special was the regular semi-monthly pay train bearing the District Superintendent Pay Master and other officials of this division of the road and was said to have been running at a very rapid rate of speed. Mrs. Warder was almost over the track when a bar on the engine struck her and knocked her some thirty feet, clearing her body of the track. She was carried by several who saw the accident to the L. & N. station but died in about five minutes.

Mrs. Warder's husband had only a few months ago retired from the position of station agent at Helena station, having held that office for many years. She is survived by her husband and one daughter, Mrs. Mary Dugan, of New York, besides two sisters, Mrs. James Claybrooke, of Washington and Mrs. Elizabeth Clay, of Austin, Texas. Mr. Thomas Forman, of Tolesboro, is a brother.

Mrs. Warder's funeral will be from the Mayslick Christian Church Saturday morning at 10:30 o'clock with services by the pastor, Rev. W. J. Loos. Burial will be made in the Mayslick cemetery.

OLD TIMERS ON A LARK

Messrs. Alton Schatzmann, Edward Landgraf, John Fansler, George Dingler and Frank Spencer motored to Lexington today for a day's outing. Mr. Landgraf, who is now a very prosperous barber at Memphis, Tenn., is an old Maysville boy who has not been home before for 12 years. The men who made up this auto party were old pals in their younger days and were out today for a good time and to talk and think over old times.

A STEP THAT "WILL NEVER BE RETRACED"

In publishing the long indictment of the liquor traffic by the United States Senate Committee for its effort to control the politics of the country and for its pro-German work through the brewery interests, the Springfield (Mass.) Republican says:

"But it is also clear that the only way to free the nation from such an incubus is to exterminate it. The first step to that end is to outlaw the entire trade, and that step has been taken. It will never be retraced."

We do not think that there is any more likelihood that the liquor traffic will again be given its power for evil in this country than there is that the slave trade will ever be restored to America. Prior to the Civil War many ardent advocates of slavery brought forth vigorous arguments in behalf of the wisdom of slavery. We have a book written prior to the Civil War by a distinguished Methodist clergyman who undertook to prove by his interpretation of the Bible that to abolish slavery would be to go directly contrary to the teaching of the Bible. Indeed, he held that slavery was of Divine origin and should be maintained by the South. His argument in behalf of slavery was far more plausible and had more justification than any argument that can possibly be advanced in behalf of the liquor traffic. Indeed, slavery took millions of people fresh from the barbarism of Africa, civilized them and evangelized hundreds of thousands of them, resulting in probably the greatest piece of missionary work ever done in the last five or six centuries.

Thus slavery had something to its credit; the liquor traffic has nothing to its credit. It cannot live except on the broken hearts and the ruined lives of its devotees. It has filled the world through the centuries with widows and orphans, with lives completely wrecked for this world and souls lost for eternity through its accursed effect on mankind. No one dares today to uphold slavery; no one dares to defend the opium traffic or demands that "personal liberty" shall permit cocaine and opium and other deadly drugs to be freely sold and used. But the arguments for slavery and for "personal liberty" in the handling and the use of deadly drugs are far stronger than any argument that can be advanced in behalf of the liquor traffic.—Manufacturers Record, Baltimore, Md.

IF WOMEN ONLY KNEW

Backache pains often come from weak kidneys.

"Would save much needless woe."

Doan's Kidney Pills for weak kidneys.

Read what a Maysville citizen says:

Mrs. R. W. Lauderback, W. Second Street, says: "Two years ago I was suffering with kidney trouble and had been for a long time. I was nervous and dizzy and had severe headaches. My kidneys were too frequent in action and annoyed me greatly. I had a dull ache across the small of my back and my back was so lame at times that I could hardly bend one way or the other. Some one advised me to use Doan's Kidney Pills and I got a box at Wood & Son's Drug Store. They helped me at once and continued use entirely cured me of the trouble."

WHAT MAKES A COWARD? QUESTIONED ANSWERED IN HAYAKAWA'S NEW PICTURE

What is a coward? In these days when courage has been so magnificently displayed by millions of American boys in the world conflict, others have shown an equally noble trait, though not so spectacular, in maintaining the burden at home. It takes moral courage to bear the stigma of physical cowardice and be misunderstood.

This is what confronted Sukl in "The Courageous Coward," Sessue Hayakawa's latest production for Exhibitors' Mutual.

He preferred to bear the brand of "coward" than sacrifice his honor by prosecuting an innocent man.

The scene of the drama is Chinatown, San Francisco. Romance and a murder mystery are interwoven in the environment of the underworld of "The Barbary Coast" in the play.

AT THE PASTIME TONIGHT

Hurby String Quartet of Bohemian Artists To Play Two Concerts at Chautauqua

In the Hurby Czech-Slovak Quintette there is an excellent string quartet which will be featured in their programs playing some of the finer music that will be the delight of all music-lovers.

Another feature of this excellent company's programs is the singing of Miss Josephine Martino, prima donna soprano, who has been promised a place with the Metropolitan Opera forces next season.

A BROADER OUTLOOK.

The Chautauqua is Teaching That Riches Do Not Consist of Dollars Alone.

When the people of the future shall be far enough away from the present to gain a proper perspective, and when the history of our own times shall then be written, the Chautauqua movement will have a large place in the progressive development of our modern ideals and life. The marvelous material achievements, the gigantic bitter wars and struggles for commercial, industrial and political supremacy dominate and overshadow all else, because we are in the midst of these things. Life is now measured by the abundance of the things which a man possesses. The Chautauqua stands in the relation of the prophets

of old and still proclaims that the abundant life is one filled with thoughts, feelings, hopes and aspirations. To know the joy and pathos of human living and to be sensitive to the beauty and glory of the natural world, to live in sympathetic and responsive relations to our fellow-men and to the universe, this is what makes people rich.

An audience sent away with a smile or a tear, with more humane sentiments and greater hope for humanity and with a larger outlook; that audience is benefited and is also fitted for richer living. The real values cannot be measured in dollars.

The Chautauqua movement is also helping us to realize the possibilities of community efficiency. A thousand people working together in a community effort is more than a thousand individuals.

Feeding the world and amusing it are our most important industries.

The trouble with some used automobiles is that they have been misused.

Confirmation of Paderewski's desire to quit playing the piano will come from his barber.

Remodeling and Clearance Sale!

A Combination Sale That Will Restore the Dollar to Its Old Purchasing Power.

The store of Merz Bros. will be completely remodeled. Our stocks must be reduced as the carpenters and workmen need room. To accomplish this a large quantity of merchandise is offered at sensational savings. It is very seldom that a store can offer you the buying opportunities as we are offering you here now. We are going to install new fixtures throughout the store. The most modern equipment will be put in. We are determined to make this one of the finest and most convenient stores in this section of Kentucky. Naturally a large share of our stock must be disposed of as we need the room for the carpenters and workmen who will soon be ready to begin. If we did not substantially reduce our stock immediately we would be taking the risk of some of the merchandise becoming damaged while the alterations were going on. Therefore we can afford to give you very important savings. It is a good investment for us. When you consider that we will remodel the store and make it better you can understand that we cheerfully sacrifice profits in this sale because the ultimate results will mean an asset to us in all the years to come. The most attractive feature of this sale, in addition to the sharp price reduction, is the fact that all sections carry large assortments of high grade, clean, seasonable goods—merchandise that you need now — merchandise that you can profitably buy for future needs because it is what you are going to need and will cost you a good deal less now than at any other time.

CECILE L. GRIEL, M. D.

Dr. Griel, who received her M. D. degree at the Polytechnic in Rome, Italy, has done an enormous amount of speaking all over the country. Especially has she been welcomed at the universities, colleges, and before interested groups of people who wish to help solve the Americanization problem on which she is an authority. Recently her lectures have been on "Italy and the War" or "The Problem

of the Foreign-Born Woman," particularly the Italian in America. Recently she spoke at the Pittsburgh University on "The Fusion of Races in the United States" and later before the University of Minnesota on "The Italian Woman in America." At Chautauqua she will combine both these interesting subjects into one most interesting address. Those who have heard her say her address will be one of the outstanding features of the Chautauqua.

Praised by President Wilson

Noted Soprano Who Sings at Chautauqua Was Highly Commended by the President—Caruso also Praises Her.

Miss Josephine Martino, prima donna soprano at Chautauqua, recently sang a concert at Paterson, N. J., at which President Wilson and former Ambassador Gerard were present.

Josephine Martino

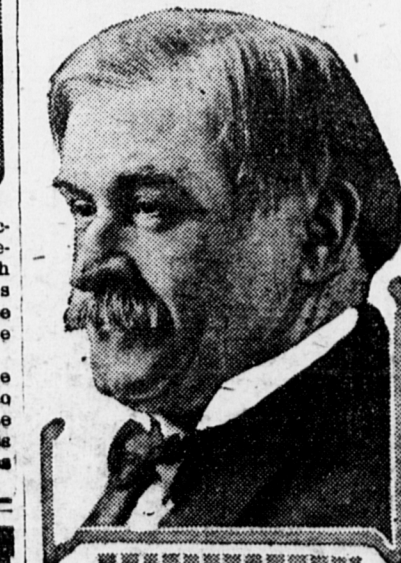

ent. She impressed both with the great beauty and sweetness of her voice and at the close President Wilson offered his personal felicitations.

Only a few weeks ago, Miss Martino sang before three of the severest critics in New York City: Gatti Casazza, director of the Metropolitan Opera House; Enrico Caruso, the world's greatest tenor; and Alex. Lambert, musical critic. All three praised the young singer and it is rumored that Miss Martino will have a place in the Metropolitan Opera next season.

ONE OF AMERICA'S GREAT PULPIT ORATORS

To Speak Here on Opening Day of Chautauqua.

No, this is not the picture of the Prime Minister of Great Britain although this man is frequently mis-

taken for him, especially was this so when he preached in Great Britain. This is one of the great pulpits of America—Dr. James L. Gordon of Washington, D. C., where he preaches to the largest congregations that assemble in the Capital City. He ranks in the same class with Gun-saulus, Hillis, Cadman, Aked, and G. Campbell Morgan, all of whom have preached in his pulpit. Like these men he has the vigor of perfect health, and the advantage of a great voice and clear enunciation. Perhaps his strongest characteristic is expressed by the word "magnetism."

Why Central Can Not Answer Questions

The duty of the switchboard operator is to answer your number calls and get connections for you.

If she stopped to answer questions, the number of calls would pile up and the service would be delayed; this would be an injustice to the other subscribers.

When in response to a question, the operator says: "I will give you Chief Operator," she is obeying her instruction.

If you cannot find what you want in the telephone directory, ask the operator for "Chief Operator" and she will connect you with the "Chief Operator" where your questions will be promptly answered.

**EXPERT ON GAMES INVITED
TO ADDRESS TEACHERS**

Y. M. C. A. Offers to Furnish An Expert to Address the Mason County Teachers at Their Annual Institute to Be Held During August.

The officers of the American Y. M. C. A. and Y. W. C. A. have offered to furnish to Superintendent George H. Turnpseed an expert on children's games and entertainment to address the Mason county teachers when they meet in Maysville for their annual Teachers' Institute the last week in August.

Prof. Turnpseed has accepted the offer of these organizations and will extend an invitation to them to furnish such a speaker for one lecture during the week. This is a matter in which the teachers of the schools over the country are becoming vitally interested at the present time. The children are looking to their teachers to be their leaders in play at the recess hour just as much as their leaders in the class rooms and the up-to-date teachers are advising themselves on the proper sort of games to develop the children mentally and physically while at play.

Mason county teachers will be very much pleased to learn that they are to hear such an expert during Institute week.

DAMAGE SUIT IS FILED IN FEDERAL COURT BY WOMAN

Lexington Woman Brings Suit For \$75,000 For Alleged Attack in Hotel—Hotel Company Made a Defendant.

Declaring that she was struck and bruised by Paul Hite, young Lexington business man recently returned from overseas, while awaiting her husband on the mezzanine floor of the Phoenix Hotel, and further charging Hite used rooms at the hotel for immoral and illegal purposes with the knowledge of the hotel, Mrs. Kathryn Arnold made Hite and the Phoenix Hotel Company joint defendants in a suit asking damages to the extent of \$75,000, filed in the Federal Court for the Eastern District of Kentucky yesterday. According to the petition, filed by Attorney J. A. Edge, of Lexington, the alleged attack occurred on April 24 of this year, while she was a guest of the hotel.

Mrs. Arnold, who lives on Bryan avenue in Lexington, when asked Wednesday regarding the incident which is the basis for the suit, declared that while she was sitting on the mezzanine floor of the hotel waiting for her husband, Hite approached her and, after making an insulting remark, struck her while she was sitting in a chair.

Mrs. Arnold said she appealed for help and the house detective was finally called. She then procured warrants for Hite's arrest, though she did not appear in police court to prosecute him. Police records show that Hite was arrested on two charges of breach of the peace, and that the case was continued until May 5, when he was fined \$1 and costs in each case. Hite, according to Mrs. Arnold, was intoxicated at the time of the alleged assault.

Hite's home is in Frankfort, though he had been making his home in Lexington for some time before the incident at the hotel. He is a graduate of the University of Kentucky and is prominent among the younger people of Lexington.

NAMED COMMITTEE

In the Mason County Court today T. W. Dickson was appointed committee of George H. Dickson and he qualified as such with C. V. Dickson as surety on bond.

To the Republicans of the Third Railroad Commission District

I find that it is impossible for the two candidates, E. C. Kash and myself from the 9th Congressional District, to make a proper race for the Railroad Commissionership under the peculiar existing circumstances. I find Mr. John B. Eversole, from the 10th District, which already has a candidate for Secretary of State, asking that he received this Railroad Commissionership nomination. This is in spite of the fact that that strong, capable and able 10th District Republican, the Honorable James W. Turner, of Paintsville, at Lexington, withdrew from the Railroad Commissionership race in order that the Hon. Fred A. Vaughan, from the 10th District, could have the nomination for Secretary of State. Mr. Eversole is not equally fair. I think more of the 9th District and my friends and associates there, and of justice and fair treatment to my friends in the 9th District, than I do of this office. I think it right to leave it to the Republicans of the Railroad Commission District to say whether the 9th District shall have representation or not. I therefore am withdrawing from the race.

Very Respectfully,

CLAY CISCO.

GRAVE DIGGER IS ARRESTED, CHARGED WITH GRAVE ROBBERY

Although Stoutly Denying Charge, Circumstantial Evidence Is Strong Against Saalwachter.

After a night in jail, Henry Saalwachter, 52, grave digger by trade, continued to deny Thursday he knows anything of the robbery of the grave of Clara Fischer, 15, of 605 E. Third street, Newport, at St. Stephen's Cemetery, near Ft. Thomas, Thursday night a week ago.

He is charged with the crime in a warrant sworn out by Clara Fischer's brother, Charles Fischer.

In Saalwachter's room there were found a number of pictures of women clipped from newspapers and magazines, including the picture of a girl whose hair had been clipped by an assailant, detectives charge.

The investigation that resulted in Saalwachter's arrest involved not only circumstances relating directly to the robbery of Clara Fischer's grave, but related to the personal habit of Saalwachter, who is unmarried.

A bacteriological examination of certain stains found on the clothes of the dead girl established the motive of the person who robbed her grave, according to detectives.

Blaine McLaughlin, county attorney of Campbell county, who at first held to theory that the crime was inspired by spite, nursed by a disordered mind, said the robbery was the work of a dangerous type of man after he heard the result of the bacteriological test.

This test indicated that after the body of the girl was removed from the grave it was mistreated.

Saalwachter was employed as grave digger in St. Stephen's Cemetery until several months ago. His arrest followed many hours of questioning in the office of L. J. Diskin, commonwealth attorney of Campbell county.

He is charged in the affidavit with having disinterred the body of the Fischer girl. Under the laws of Kentucky the penalty is a fine of not less than \$200 or more than \$1000, and imprisonment for not less than two months or more than six months.

Magistrate E. R. Brandes fixed Saalwachter's bond at \$3000. He will be given a preliminary hearing in a few days.
